Honorable Secretary Pompeo,

Since 2015, the republic has been re-established the UNITED STATES OF AMERICA REPUBLIC is the National Government of North America and the home of the 160,000,000 Moorish American People who are the so called black, negroe, colored, afro-American and African-Americans. Who prior to the re-establishment of the national government were disenfranchised. Now, that we have renewed our covenant with our creator and have line back up to the law of God, welcomes friendly diplomatic relations with the United States Federal government as stated in the Peace and Friendship Treaty of 1836. Nunc Pro Tunc and signed by President Christopher - Cannon: Bey and I, Secretary of State Travis Austin: Bey. The intentions of this letter is to inform you that the treaty is in full force and to thank the United States Federal government for being the custodians over our land during the time the national government was inactive.

As the Secretary of State of the UNITED STATES OF AMERICA REPUBLIC, I am committed to ensuring good business, welcoming positive relations conducted between nations, and also reminding parties of the contractual agreement in place. No state shall impair the obligations of contracts or regulate commerce of foreign nations. Moorish American People have clearly benefited from having our own government. The UNITED STATES OF AMERICA REPUBLIC established a Department of State, Bureau of Motor Vehicles, Secretary of State, Department of Justice, Office of Attorney General, Courts, Department of Vital Statistics, etc. This is a clear indication of the type of commerce being conducted as a nation of people.

Importantly, the charter of the UNITED STATES OF AMERICA REPUBLIC can be viewed by conducting a business search at the State of Indiana website.

It is of the up most importance that the Nationals and Citizens of this state are given the same Privileges and Immunities as citizens in other states. Full Faith and Credit must be given to public Acts, Records, and judicial Proceedings of every other State. Any one who takes an oath are bound by article 6 to uphold the constitution and laws of any state to the contrary notwithstanding. Undoubtedly productive diplomatic relations makes our nations stronger.

Office of the Secretary

I would like to coordinate with the U.S. State Department to make sure that State and local governments nationwide are made aware of the reestablishment of the national government and the on-going treaty relations between the United States and United States of America Republic, and for the municipal governments within the continental United States to give positive effort not to discriminate against the identification of vessels.

With the current case of stateless individuals it is urgent that political rights of Nationals and Citizens of both nations are recognized according to their constitution. In partnership with each other I'm sure we can accomplish our goals honoring our treaty agreement.

Sincerely,

TRAVIS - AUSTIN: BEY
SECRETARY OF STATE
